Rules and Conditions of Registration/Membership

Clay Shooting carries an element of risk in relation to yourself and others around you.

To protect yourself from injury you must wear eye protection at all times on the shooting ground, whether shooting or as a spectator. In addition to this when shooting overhead targets we highly recommend that some protective headwear is also worn.

Non certificate holders must be accompanied on a one to one basis by an experienced certificate holder who supervises them at all times. Gun safety is paramount and all shooters must familiarise themselves with the notices placed around the shooting ground regarding the safe handling and use of guns on the shooting ground.

COWANS LAW DOES NOT ACCEPT RESPONSIBILITY TO ANYONE NOT FOLLOWING THESE RULES
